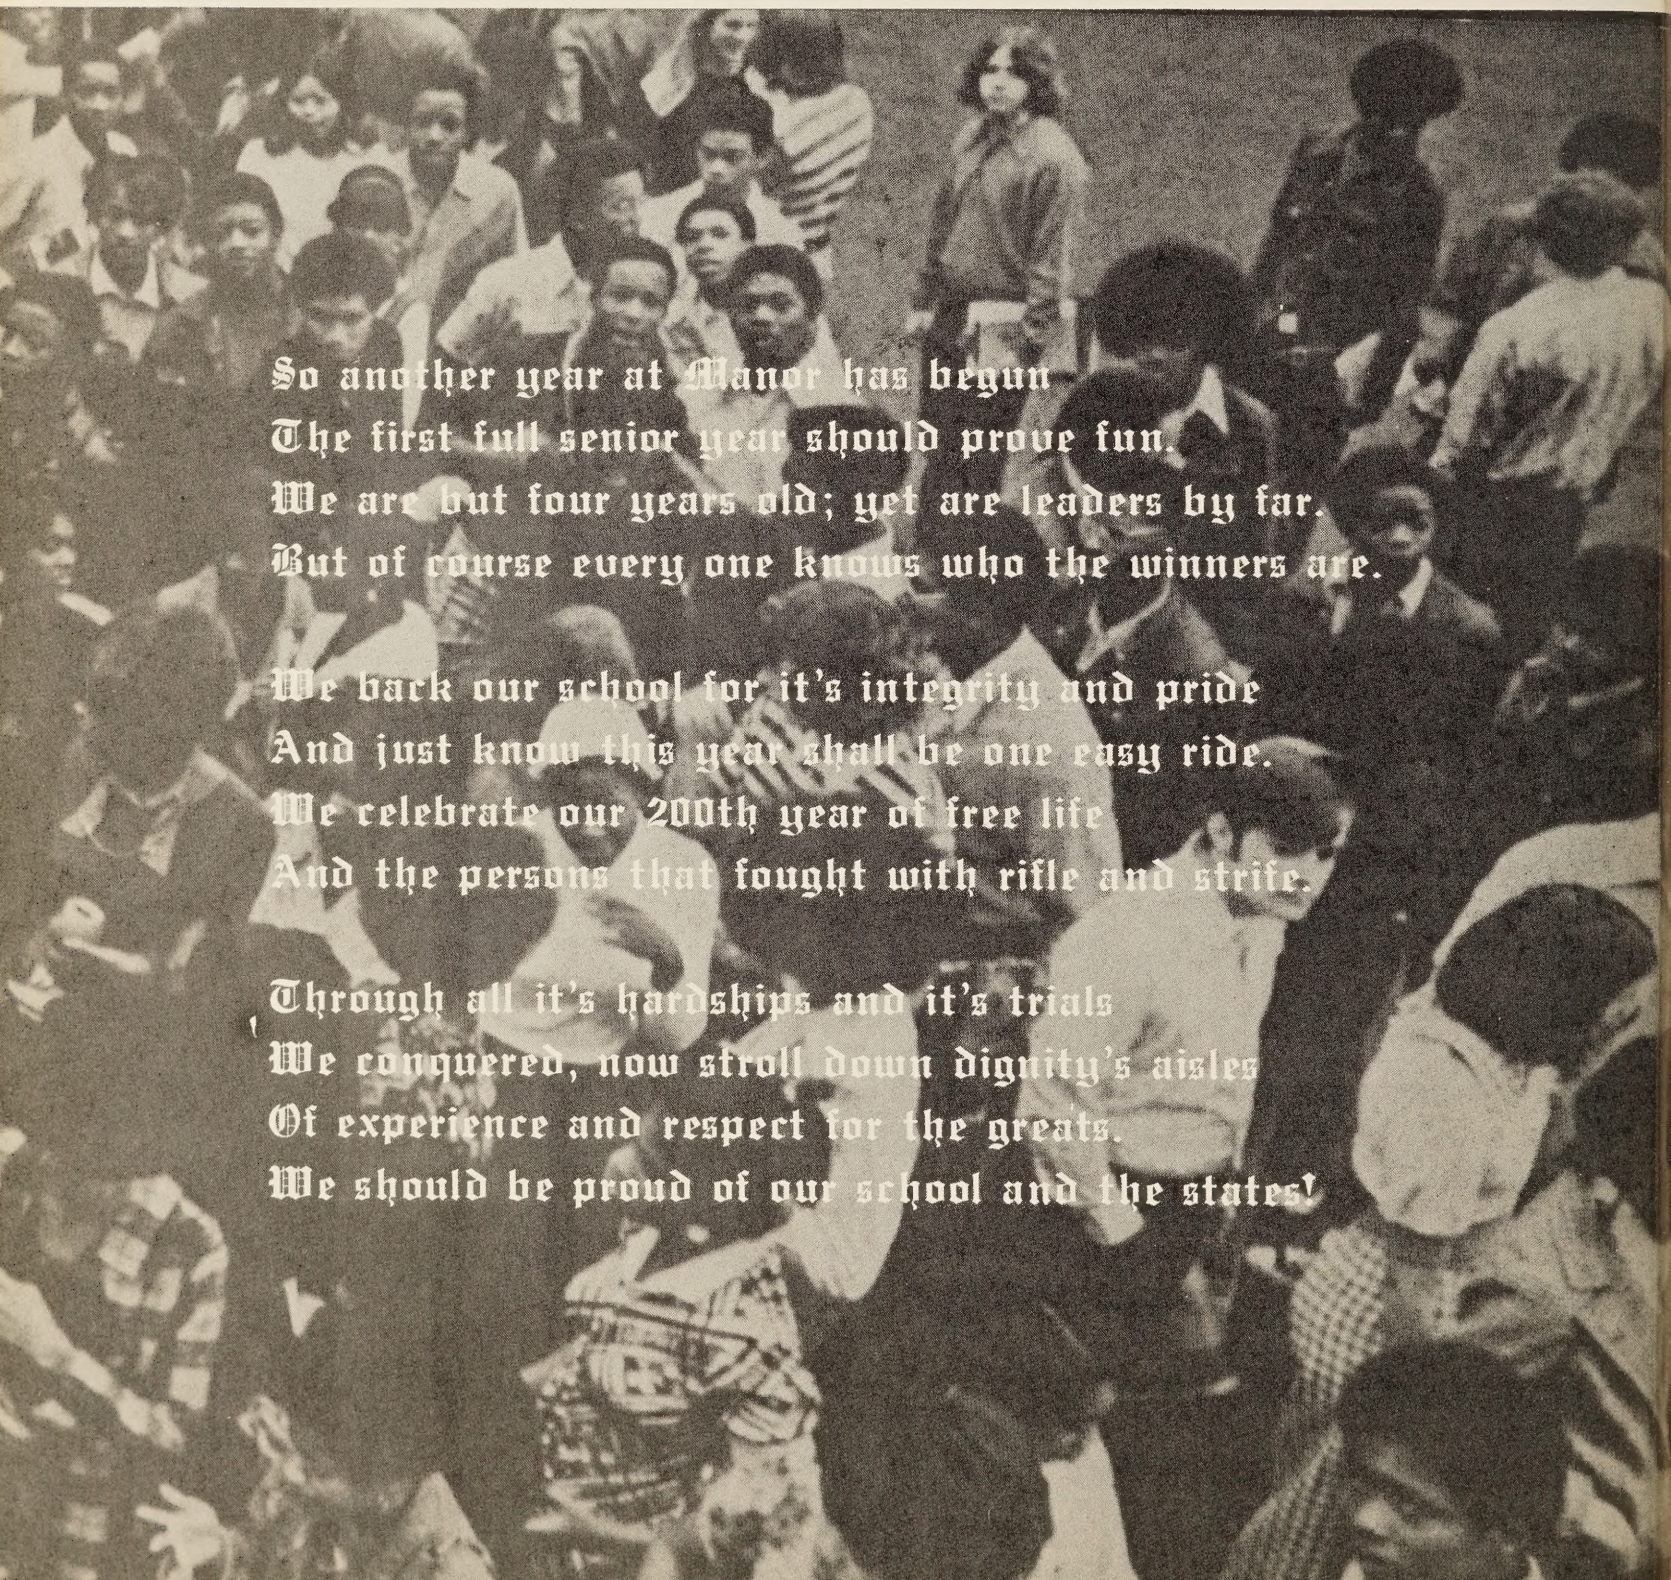
WE'VE COME A LONG WAY

IN THIS BICENTENNIAL YEAR, MANOR HIGH SCHOOL IS 4 YEARS OLD. THE CLASS OF '76 IS THE LAST CLASS WHICH WAS HERE SEPTEMBER 5,1972 WHEN MANOR OPENED ITS DOORS AND THE FIRST CLASS TO SPEND ITS ENTIRE FOUR HIGH SCHOOL YEARS AT MANOR.



So another year at Manor has begun
The first full senior year should prove fun.
We are but four years old; yet are leaders by far.
But of course every one knows who the winners are.

We back our school for it's integrity and pride
And just know this year shall be one easy ride.
We celebrate our 200th year of free life
And the persons that fought with rifle and strife.

Through all it's hardships and it's trials
We conquered, now stroll down dignity's aisles
Of experience and respect for the greats.
We should be proud of our school and the states!

. . . First Full Senior Year . . .

"IF A MAN ANSWERS"
Starring Kim Williams as Germaine, Renee Newby as Chantal, Brain Watkins as John, Bruce Melvin as Gene, Sandra Hunter as Tina, Ronald Mills as Robert, Amy Beatey as Europa, and Monica Mealey as Belladonna.

The play is a comedy about a young woman, half-American and half-French, who traps a man into becoming her husband then trains him into the perfect mate using a dog training manual.

Chantal—Oh, you'd hate it, Tina—long hours—hot lights—uncomfortable poses.
Gene—It's not that bad, Chantal. Tina might be great for the calendar job, there's a lot on it—she'd be here for weeks. You could spend a lot of time together.
Tina—Oooh—it sounds heavenly. What would I wear?
Gene—Well, to start, a party hat and a black lace negligee.
Tina—Oooh—I suppose I shouldn't say this but I do have a talent for not wearing clothes well.

Can I not do something about your eye?

Chantal—Good-bye, Eugene.

Charlie Brown—Good grief, we lost another one.

Snoopy—Curse you Red Baron.

Starring Kim Williams and Bruce Melvin.

A brother and sister who drift between reality and fantasy try to overcome their psychological problems. These problems come to a head when the sister needs medical attention and the brother connot bring himself to leave his fantasy world.

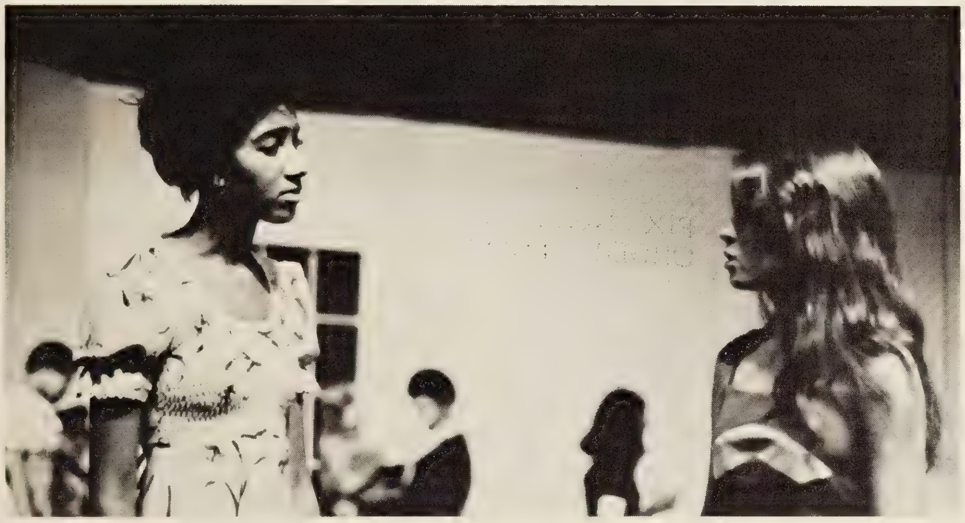
"Your A Good Man,
Charlie Brown"

The Charles Schultz characters come to life in a musical comedy featuring Conrad Porter as Charlie Brown, Becki Ash as Lucy Van Pelt, Chris Scoot as Linus, Joe Lee as Schroeder, Cynthia Miller as Patty, and Essex Watson as Snoopy. This delightful comedy shows the "Peanuts" at their best as they have fun with life and make fun of the adult world.

Gene—Can I marry your daughter.



Belladonna—Let's face it, this face and this body I've got is just a shell. I learned that in some kookie cult I used to belong to until the night the Celestial Conductor took me for coffee and tried to get me to come out of my shell . . . .

Mans Best Friend

Tina—She's been training you into a perfect husband with a dog training manual!
Gene—WHAT!
Tina—HOW TO TRAIN MAN'S BEST FRIEND—It's the funniest thing I ever heard.

Belladonna, Europa, and Dennis just love the party.

"One, two, three, four."

A school needs some very talented, special young ladies, cheerleaders, to get the student body backing needed to have a successful athletic program. When the student body was not behind the girls, the girls supported the team alone.

One of the many ways our team got prepared mentally for a game was through pep-rallies. This year's rallies were rewarding for both the players and cheerleaders. The players did crazy skits, the cheerleaders lead cheer, and the band played music. As proof of their success, the football team lead Manor to its first championship.

NJROTC Bumps Christmas Assembly

What does a Christmas assembly include? At some schools just music, but at Manor, the Mustangs really get into the spirit. Our assembly included perfect pitch music from the Manor Chorus and Band. Decorated baskets of foods to be presented to the Salvation Army. But the main event of the year's assembly was the showing of our NJROTC drill team. During their demonstration they performed expert gun control maneuvers and to top the show, they did "The Bump" in unison.

Class of '76 Wins Again

Deborah Brown and Lila Goode are tough and ready.

It was a cold night before Thanksgiving, when the Senior girls won the 2nd Annual Powder Puff game 8-0.

The usual kick-off was omitted because the young ladies could not kick the football. To begin the game the Seniors took possession of the ball on their own 20 yard line and kept the ball for the entire quarter. In the last seconds of the 1st quarter, the only touchdown of the game was scored. The conversion was good, making the score at the end of the 1st quarter 8-0.

In the 2nd quarter, the Juniors were fired-up for a comeback, but soon felt the wrath of the Seniors led by the brilliant quarterbacking of Yolonda Spann, who was selected the game's Most Valuable Player.

In the second half of the game, the battle continued with the 3rd quarter ending in a draw.

In the 4th quarter the Seniors began to tire and the Juniors, taking advantage of the situation, moved the ball close to the Seniors' 25 yard line. The Senior defense held the line and with only two minutes to go, took possession of the ball keeping it for the remainder of the game.

The game ended with the Seniors victorious, with the final score 8-0. The game was fun and vicious, but after it was over the harmony between the classes remained.

The occasion was a blissful one. All of the enthusiastic, devoted members of Manor High School were present for this prominent affair. It was the night designated for our election results and our annual bowl game, our fourth.

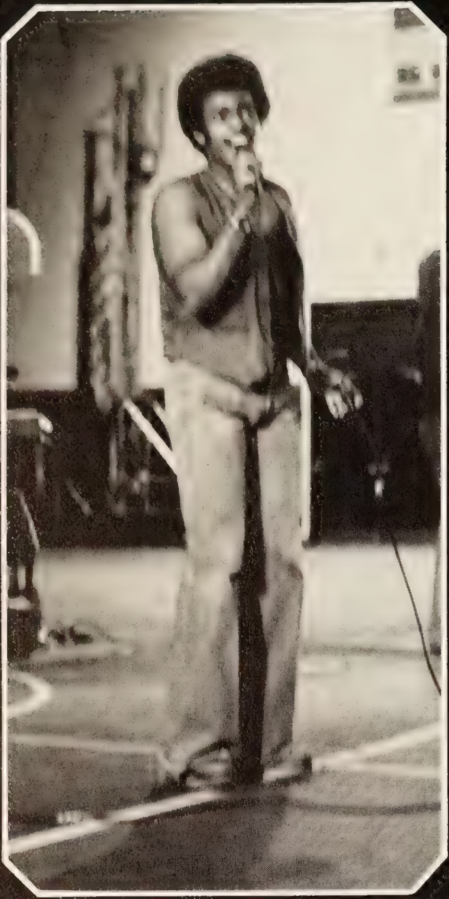
Anxiety-twisted faces seemed to say 'well tell us the winners, before we have a nervous breakdown.' As the night sped on, our forceful football team provided the entertainment, by literally scraping the paint from it's opponents faces. Finally the moment of the election arrived and tenseness filled the air. The speaker announced the contestants for Mr. and Miss Manor. The winners were Frederic Jones, and Renee' Vinson. Slight ease swept the crowd. They listened with anticipation for the other winners. Miss Sandy Byrd was awarded the Miss Spirit of '76, and Mr. Mark Hudgins was granted the position of Mr. Bicentenial.

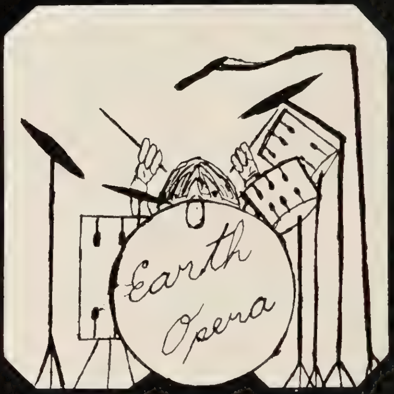
After the festive sparkling of the halftime activities, the football clubs reentered the field. For Indian River it was an insufferable defeat, but we had anticipated and sincerely expected for our team to win the game. We won 34-0.

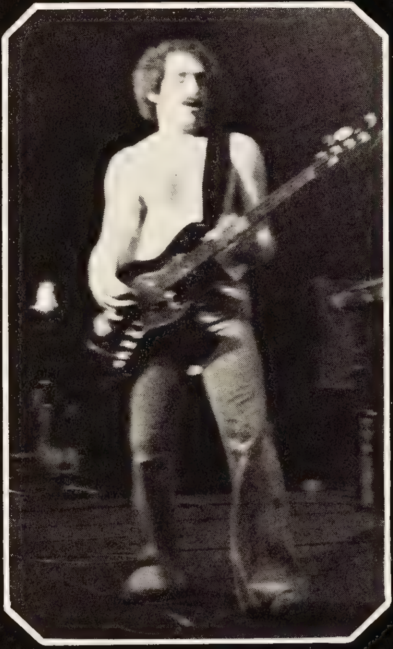
Cindy Byrd gives her sister a warm congratulation.

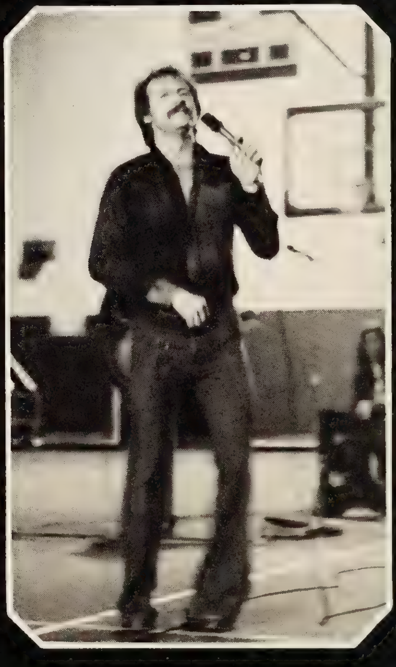
Renee' Vinson is crowned 'Miss Manor 1975-76' by Pat King.

Earth Opera In Concert









Where were you on Wednesday, March 10, 1976? Many of the Mighty Mustangs were sitting on the gym floor rocking to the music of "Earth Opera," which was sponsored by the Science Club and SGA. The students enjoyed such great songs as "Grow Some Funk of Your Own," by Elton John and "Rollercoaster," by the Ohio Players.

The girls went crazy and the guys got jealous as guitarist Jim Thomas sang "Stairway to Heaven." To add to the excited atmosphere, Don "Funky" Perry, the leader of the band, removed his funky shoes so he could get into the mood of things. Little did he know that his socks had holes in their toes.

It was a Wednesday night that all will remember.

Bicentennial Week Brightens Square

Manor High School observed our country's Bicentennial with a week of activities. Located on the square were private collections of colonial crafts brought by students and citizens of our community.

Mrs. Virgre Compton demonstrated the colonial art of making corn husk dolls. She let many students try their hand at the art. The results were interesting.

In another display, Mrs. Charles Williams preformed the art of quilt making. She brought some lovely Bicentennial quilts to share with the students and faculty.

One of the students' favorite crafts was shared with them by Mr. Bill Moore. He make very popular leather craft articles. He gave us the opportunity to see his quite impressive masterpiece, a triangular leather stool.

Some of the student displays included a coin and stamp collection. Also presented was a model car and a rare bones collection.

Much credit was given to Mrs. Staffon's art classes for their contributions. The sponsor for the Bicentennial activities was Mrs. Judy Moore.

Best Years

I thought, some years ago, I'd walk a dusty trail,
Creating dream upon dream 'til they'd become a fairy tale.
The adult that I long to be is still over-shadowed by the
Child that remains is me.
But, I'm ready to meet the world!
I'm ready to greet the world!
doot do do doot doop do do
And give them a part of me.
Right from the start, I've been building,
Striving to make my dreams as worthwhile to others as they are to me.
*CHORUS**These were the best years of my life, the best years that*
have come so far. Between the good times and the bad, these were
the best years I've ever had.

Wishing the best of my years would, till eternity, last,
I hope my years ahead will benefit from the past
We've learned from our mistakes and with every step we take,
We are closer to success
I'm ready to meet the world!
I'm ready to greet the world!
doot do do doot doop do do
And give them a part of me.
Right from the start, I've been planning,
Working to do what's expected of me and be proud to stand and say,
"I came from Manor!"
GO BACK TO CHORUS AND SING TWICE

During the course of their senior year, the seniors of Manor High School went on various field trips. The Government teachers took them to Washington D.C., Richmond, and to see the Portsmouth courts. Also the government classes went to see "All The Presidents Men," a movie about the Watergate Scandal. The English teachers took the senior class to see the Shakespearian play, "Romeo and Juliet." The biggest event for the seniors, as field trips are concerned, was the senior class trip. The seniors paid their way to Disney World in Florida.

Working up to the big day, the seniors participated in various activities trying to relieve the tension that was building up inside them. The first activity was Senior Teacher Day. Many Seniors learned the roles of the teachers and administration. Conrad Porter played the role of Dr. Cherry, Neil McManus and Kevin Josie were Mr. Glisson, Mickey Moss played Mr. Ross, and Carl McNamara portrayed Mr. Potter.

Senior Week took place during the week of May 25 and May 29. This was a fun filled week for the seniors in the closing weeks of their high school years. Monday, May 25, was designated as 50's Day. Seniors dressed up like their parents did in the 1950's with such outfits as rolled up jeans and bobby socks, dull gray suits and thin ties. On Tuesday, May 26, the seniors went back a few years during Kiddy Day. Seniors dressed in diapers, baby doll dresses, shorts and bow ties. Baby bottles and dolls were carried, and two brave seniors came as Mickey and Mini Mouse. On Jean Jam Day, May 27, seniors got out their worst and best jeans for school. Thursday was another interesting day for the seniors. On May 28 the good looking seniors dressed in their best suits and dresses for Dress Day. There were some gorgeous girls and handsome guys. After Dress Day, the

Senior Class

seniors went to the extreme opposite, for Friday, May 29, was designated Bum Day. The seniors wore all their old, holely, raged clothes that were ready for the trash heap.

Moving closer to June 10th, graduation, the seniors presented the underclassmen with an assembly. In the assembly the seniors sang their class song, written by Renee Newby, Kim Williams, and Lynn Waters. Seniors also preformed skits such as the fashion show which represented kiddy world to Prom night, with a special guest appearance of Mickey Mouse, Mickey Moss, and Mini Mouse, Sandy Johnson, and a skit starring S.W.A.T. Also making a starring appearance was Larry Hamilton as "Star Child".

The best that the seniors found to ease the tension of graduation was Senior Skip Day. Many seniors ended up at the various beaches surrounding the Tidewater area, such beaches as Sandbridge, Virginia Beach, and Chesapeake Beach.

The big day was drawing nearer with every heart beat. The next event for the seniors was Baccalaureate, which took place on Sunday, June 6, 1976 at 3:00 p.m. Finally the big day arrived. Thursday, June 10, 1976 at 8:00 p.m. the graduation ceremonies were just beginning. In a surprising nontensed atmosphere, Thomas Jones opened the services. The seniors did get serious rapidly for a glorious moment when Cindy Byrd paid memory to a loved member of the graduating class who had left them a year ago, Milton Elliott. It quickly returned to a untensed feeling as the senior class gave Charles, Tweety Bird, Harris a standing ovation for finally graduating. It took him seven years to finish high school. Finally the ceremonies were over and the seniors were no longer seniors, but graduates out on the own. But on this night the seniors partied all night in celebration of their accomplishments.

MILTON ELLIOTT
DIED FEBRUARY 10, 1975

Milton Elliott lived at 504 Roosevelt Boulevard in the Cavalier Manor section of Portsmouth, Virginia. In his three years at Manor High School, he became the friend of various members of his graduating class, the Class of 1976. We all learned to love Milton Elliott. He was, and still is a very special Manor Mustang.

All of Milton's interests were not in his school alone. He was a faithful Christian and attended United House of Prayer for All People. He was a member of Musical State Band, McCullough Alternator Singing Group, and The Shout Band. Even though Milton Elliott has departed, his memories are still in our hearts. The Class of 1976 loves you, Milton.

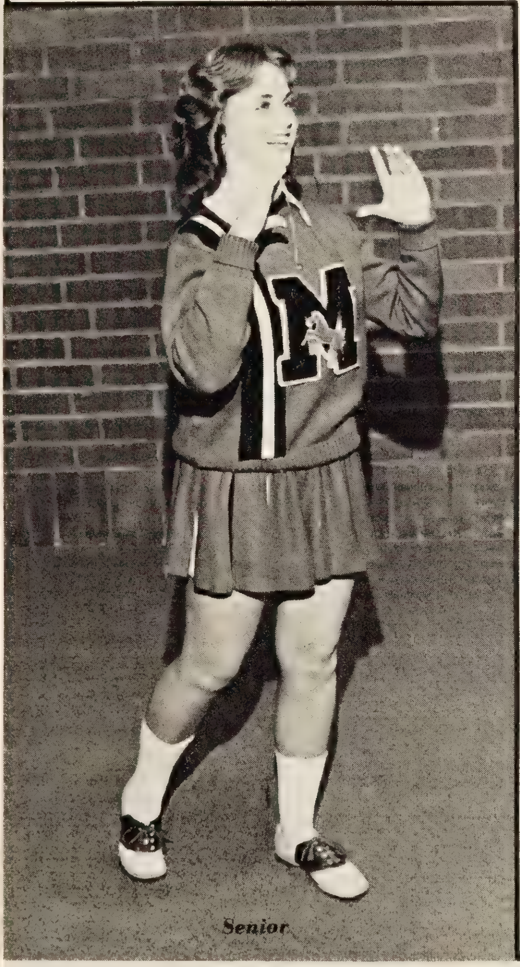
Sandy Johnson Instructor

Freshman

Sophomore

In 1972 Sandy Johnson went out for the JV Cheering squad at her new school, Manor High School. She was chosen for the squad. This made her the only Freshman on the first JV Cheering squad. Sandy enjoyed cheering her first year and became very school spirited.

In Sandy's second year at Manor she was elected captain of the JV Cheering squad. This was a great honor for her.



Senior

In this year Sandy learned a lot about being a leader.

Sandy's Junior year at Manor was exciting for her. She became a Varsity Cheerleader and became acquainted with the activities carried out by the Varsity Cheerleaders, such activities as buying favors for the members of the sports teams, heading spirited pep-rallies, and raising money for uniforms and other needed items.

In her Senior year, Sandy was chosen to be the captain of the Varsity Cheering squad. With all this experience, Sandy was advised by her cheering sponsor, Miss Brenda McCoy, to try out for a position on the Golden Eagle East Coast Instructor's team. To Sandy's surprise, in mid May, 1976, she received a letter from Golden Eagles saying that she was accepted from 102 applicants to be one of few instructors at the Golden Eagle East Coast Cheering Camp in North Carolina. This was a great honor for a Senior Mustang.

Manor Memories

Remembering colleaques from the past
Pleasant memories that never die
Friendships that will always last
Inspite of how life's fortunes lie.

The spirited young with zeal and zest
To learn to live we did insist
We challenged them to do their best
Despite some efforts to resist.

Some roads were rough and times were tight
At times success seemed all astray
But effort overcame the plight
And many problems faded away.

We share the pride with those who know
The Manorites both far and near
Whose live will always be aglow
For a school we hold so dear.

DECA Has Good Salesmen

The Distributive Education Clubs of America (DECA) at Manor High School is joined by all DE I, DE II, and DE III students enrolled in the D.E. program. DECA is a co-curricular club which means that all students participate in all club activities as well as classroom activities. The purpose of DECA is "DEVELOPING FUTURE LEADERS IN MARKETING AND DISTRIBUTION" which is, also, the DECA Tagline.

Fund raising projects for DECA this year grossed over $4000.00 in retail sales. The money was used for:

$100.00 was donated to Muscular Dystrophy. The pledge was made by Lisa Harlow and Steve Jones on Wavy TV on Labor Day during the Jerry Lewis Telethon.

Also at Christmas, good conditioned used toys were collected and wrapped and delivered to the Salvation Army along with a check for $50.00 to help them spread Christmas to families in the Portsmouth area.

$50.00 was contributed to the Franklin O. Davis Memorial Scholarship Fund, that will be given to a D.E. student in the Tidewater area that will be majoring in D.E. in college.

"Come Home to Virginia" buttons were given the faculty and administration from DECA during the school's Bicentennial Week.

DECA had the 2nd place float in Manor's Homecoming parade, 1975.

Sixty DECA members attended the Tidewater DECA Fall Rally in October, 1975.

A Christmas party was held for DECA members on December 19, 1975.

A Fashion Show was held for DECA members on April 13, 1976. Local merchants loaned the clothes and DECA members were the models.

The Annual Employer-Employee Appreciation Banquet was held May 4, 1976 at the Elks Club. The banquet is held in honor of the Employers for working with our students and program for the school year. Employers were presented certificates, Seniors were recognized, and the DE STUDENT OF THE YEAR for Manor was announced—ANTHONY AVERY.

The second show, a one act show called "Home Free" was about a young girl and her brother who did nothing but fantasize in their one room apartment. Their last presentation was by far the best. It was a superb musical comedy called "You're A Good Man Charlie Brown." This musical was right from the "Peanuts" comic strip. The Drama Club was very good with the casting in all the plays and should be commended for their excellent work.

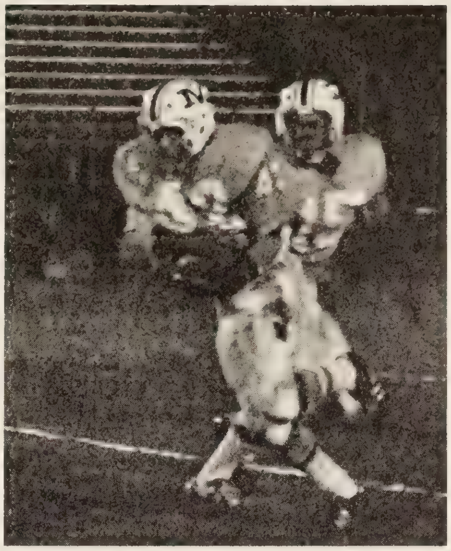
Elston Riddick puts it up.



Anthony Whitaker looks for an opening.

Before the season started, Coach Howard Beale challenged his team, "It's up to you just how far we go." The Mighty Mustangs took themselves to a share of the Southeastern District Title. The Mustangs ended their rewarding season with an 8-1 district and 8-2 over-all records. This is the best record in the school's history.

With no hesitation Coach Beale stated that, "Our defense is the best I have ever coached." As always the "No Go" squad lived up to their expectations, averaging a mere 91.8 yards per game. To everyone's surprise the Manor offense also ranked tops, averaging 237.4 yards per game. In the Ledger-Star power ratings (defensive yards subtracted from the offensive yards) the Mustangs were first with 145.6 yards.

The Mustangs placed eight members onto the All-City Football Team. They are: Offensively: end—Jeffery Lucas, guard—Kenny Hines, center—Mickey Moss, and fullback—Tyrone Spruill. Defensively: end—Larry Hamilton, tackle—Wailon Jordon, linebacker—Daryl Person, and safety—Reggie Smallwood. They also placed 7 players on the All-Southeastern District Team.

Special Techniques

The Junior Varsity Football Team, coached by Mr. Wayne Bright and Mr. Jimmie Williford, began their 1975 year on August 17, one week after the Varsity team started. This year's team played in 9 games; winning 3, losing 4, and tying 2.

The Baby Mustangs build future Mustangs for Coach Howard Beale. Without the Junior Varsity many young men, who will lead the Mustangs in future years, would not have the chance to participate in the football program. These future Mustangs gain needed experience in the JV level so that they can contend at the Varsity level. With this experience the Baby Mustangs are able to move up into the Varsity and replace the vacated positions left by graduating seniors. Gaining this experience found on the JV squad were 18 eighth graders from Waters Jr. High School.

"Let's go men."

Mark Hudgins and Lance LaLonde pace themselves in the first mile.

After three years of undefeated seasons the Mustangs found themselves in a new situation. The runners lost their first meet to Western Branch 29-26. The Mustangs, not used to being beaten, showed their greatness by bouncing back and defacing their next five dual meet opponents.

With their hopes high, seeking revenge for their opening loss, the Mustangs went to the Campus of Tidewater Community College at Frederick for the District meet. Unfortunately the Mustangs found themselves 8 points short of District Champion, Western Branch. The Manor Mustangs and the Western Branch Bruins represented the Southeastern District in the Eastern Regional Meet at Mt. Trashmore in Virginia Beach, Virginia.

Coach David Dussia is looking for next year to be a year to rebuild with a young squad. The Mustangs will be losing five top runners in Steve Richardson, Mark Hudgins, Lance LaLonde, and Gary Harris. Also being lost is Ronald Reed who has been zoned to Woodrow Wilson High School next season. Come out and put yourself behind these dedicated young men.

The 1975-76 edition of the Mustangs' Basketball team went through a long, but rewarding season. The Mustangs staggered through the first five games coming out victorious in only one contest, beating the Hornets of Deep Creek 76-75. With the right breaks, Coach Black felt that the Mustangs might have ended with a 4-1 record rather than the factual 1-4 mark.

The Mustangs were honored by the invitation to contend in the Portsmouth Catholic Christmas Invitational Tournament. Along with the Mustangs, teams from Portsmouth Catholic, Western Branch, and Norfolk Christian participated in the tourney. The Mighty Mustangs brought back to Manor the tournament trophy. The Mustangs defeated Norfolk Christian 83-63 in the openning round. Then they defeated host, Portsmouth Catholic, 61-60. Three Mustangs made the All-Tournament Team; Reggie Smallwood, Jay Scott, and John Savage.

The Mustangs resumed play in the district, only winning four out of their last thirteen outings. This gave the Mustangs a seasonal record of seven wins and thirteen losses.

Coach Black is looking for a winning season next year. He is also hoping to get some help from the upcoming J.V. players.

Coach Bisese Has

The outlook for the 1975-76 J.V. Basketball team was promising. With five members of last year's squad returning, Coach Bisese was very optimistic for a winning season. William Brown and Anthony Whitaker were Sophomores back from last season. Joe Boone, Sam Hardy, and Calton Roberts were Freshmen who also returned from last year. The newcomers to the 1975-76 squad were Sophomores Mike Conrad and Vincent Parrish, Freshmen Steve Gary, Craig Walton, Daniel Brown, and Billy Bryant, and Eight-Graders Brian Glasper, George Wertz, and Daryl Jones.

The season started out the same as the Varsity, winning one out of the first four games. After the Christmas break the team pulled together and won four out of their next five games. Then the exams came. Due to grades the J.V. team lost six promising players. This cut the squad to eight players, most of whom were inexperienced. These determined members hustled and fought their way through the last eight games. Though they were able to win only one of the eight games, they gained the needed experience for next season. Next year's prospects look good. Hopefully the team will have returning, seven Freshmen and three Eight-Graders.

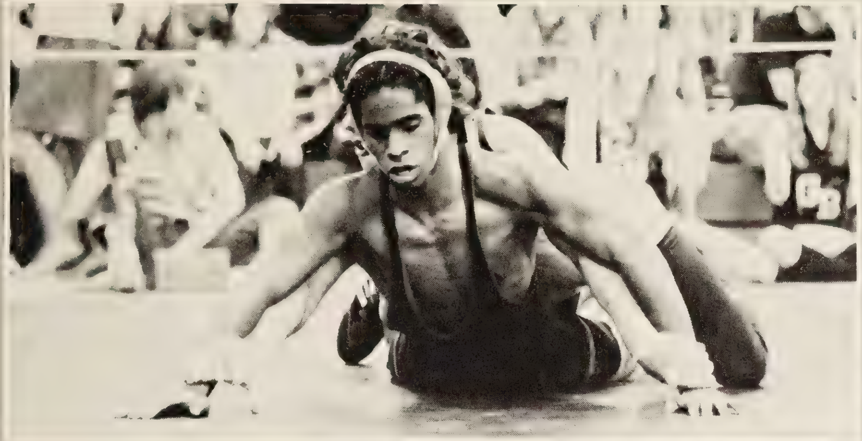
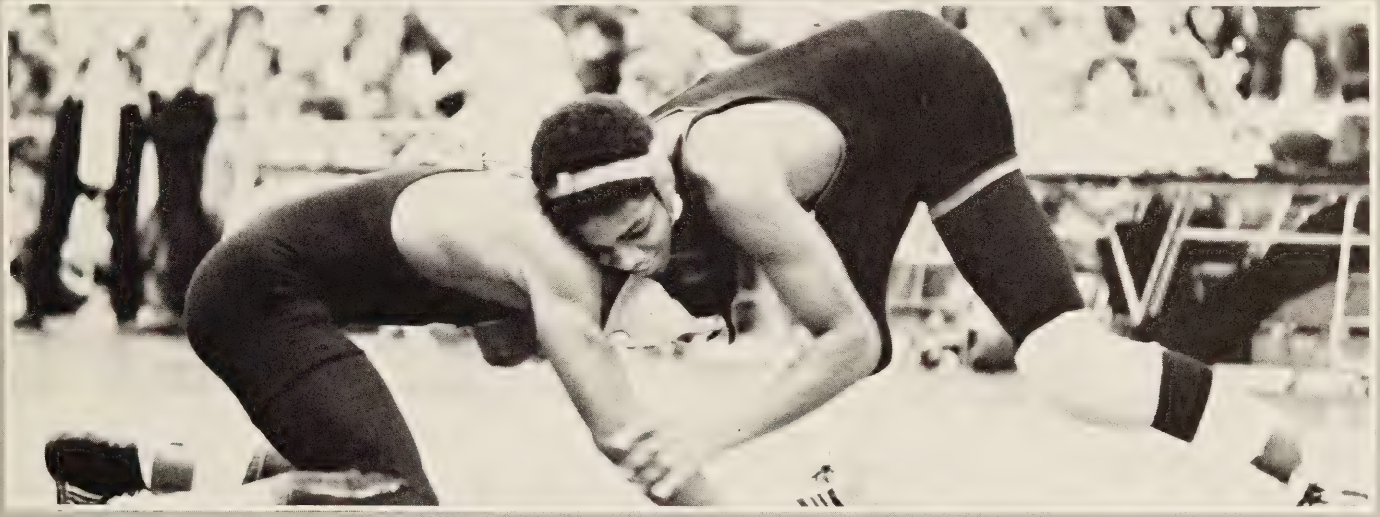
Steve Goode Manor's

Steve Goode has been a standout wrestler for Manor since his Sophomore year. His first year he competed in the state meet. Although he did not win his first year, in the following year he proved himself by winning the District, Regional, and placing fourth in the state. His senior year he won all three. Steve then became Manor's first state champion in any sport and the only two time winner of the Regional for Manor.

First State Champion



Fred Wadley is only a Junior, but he has come a long way. He placed third in the District and then went on to the Regional. In the past, Fred has proven to be a great help in winning matches for the Mustangs. He will be back next year and will be one of the top wrestlers in his weight class.



Mario Anderson was another outstanding wrestler for Manor. Mario started wrestling the same year as Steve. Mario showed himself to be a valuable wrestler by placing third in the District and then went on to place sixth in the Regional.

Troy Wilkerson in his first year of wrestling placed second in the District. He shocked a lot of people, but not his coach. Coach Bright said Troy was one of the lightest heavyweights in the District but he did not let that worry him. Troy was truly an irreplaceable member of the squad.

Coach Jimmy Morrison begins his fourth season as head coach of the Mustangs. Manor has been picked to be the "sleeper team" of the Southeastern District. Coach Morrison likes the title given to the Mustangs. He enjoys being the underdog. In this year's edition of the MIGHTY MUSTANGS the team is boasted by an experienced squad, solid pitching, and an outstanding defense. The only weak link is batting. Jerry Waters is the only returning player who batted over .300 last season.

The solid pitching staff includes lefthander Jerry Waters, four year starter Jim Satterfield, and new comer Frank Bennett. Coach Morrison is looking forward to a very interesting season.

Ronnie Trimyer Named

1976 Mustangs

Top Tennis Star

Ronnie Trimyer, who played No. 1 for Manor High School's tennis team in the 1976 season, was named the city's most outstanding high school tennis player by the Portsmouth Sports Club.

Burrell Johnson, who headed the tennis selection committee for the Sports Club, said Trimyer was chosen after the Portsmouth High School coaches were polled.

Cradock High School's Donnie Smith won the award last year. Ironically, it was Trimyer's upset victory over Smith in the district tournament that helped win him the honor. Timyer's victory over Smith put him in the finals against Deep Creek's Victor Bryan, the District's No. 1 player. Bryan went undefeated during the regular season. Bryan defeated Trimyer in straight sets.

Black said Trimyer went through a stage where he suffered from attitude problems in the early part of the season.

"He was sort of like the Ilie Nastase of the Southeastern District for awhile," said Coach Black.

Black said Trimyer got off to a slow start and dropped his first match due to a shoulder injury. About mid-season Black said his game improved both physically and mentally.

In his junior year while playing No. 2 for the Mustangs, Trimyer compiled his best record ever by finishing the regular season 8-1.

Changing from the No. 2 spot to the No. 1 spot was a big change for Ronnie Trimyer. For Trimyer the change was worth it.

Alvin Saunders in the long jump.

Leading the Mustangs this season will be, once again, Gary "Do it all" Harris. He will be competing in the high jump, long jump, triple jump, 440 and mile relay.

Also helping the Mustangs this year will be Alvin Saunders in the long and triple jumps, Steve Goode and Blaine Anderson in the pole vault, Jimmy Padgett in the shot put, and Aubrey Watts in the discuss throw. Taking charge in the 100 and 220 will be Anthony Whitaker and Bryan Riddick. Greg Watts and William McCoy take the 440 and Carl Pierce and Steve Richardson will share the 880. Willie Cobb will run the mile and Lance LaLonde and Chalmer Harris take over in the two mile. Kenny Hines and Phillip Davis tackle the hurdles.

Second year track coach Frank Ziegenfuss predicts this year will probably be the toughest in the school's history. The schedule includes the four top preseason picks, Norcom, Indian River, Oscar Smith, and Great Bridge.

The agony of defeat, Mustangs lose to Independence Jr. High.

Coach John Crute took his Latin Mustangs into the second annual Virginia Invitational Latin Olympics with high hopes of taking first place. Coach Crute had worked his team hard preparing them for the big day. When the day finally arrived, the Mustangs had to wait till the following week. Finally the games began at Bayside High School.

The Mustangs, lead by Martin Boone, were well prepared for their opponents. Many strong points of the team were its 440 relay team, consisting of Sabriena Christian, Kathleen Scott, Carol Pugh, and Angela Hilliard, the egg toss team of Danny Hudson and John Lamb, and Martin Boone on the obstacle course, where he set a new track record. Their only weak link was their tug of war team, which was the finishing blow which caused the Mustangs to fall short again this year of the title at second place.

JV Wins Districts

The 1976 edition of Manor's JV Baseball Team racked up their first Southeastern District Championship in four years. In doing so, they compiled a 7-2 record and outscored their opponents 56-29. Their only two loses were to Great Bridge 3-4 and Indian River 1-3. The Mustangs biggest win came against the Churchland Truckers 11-0. During the course of the season, the Mustangs shut out two opponents and set a school record by not being shut out once.

The big reason that the Mustangs scored in every game was their power at the plate. Two Mustangs together broke eight out of ten school batting records. Ronnie Snider set four records. They were Runs Scored—9, Hits in a Single Season—16, Highest Batting Average—.571, Most Triples in a Season—3. Todd Boyd set the other four school records. They were Most Times At Bat—34, Most Doubles—5, Most Home Runs—3, and Most Runs Batted In—11. One Batting Record set, which is one that no one is proud of owning, was set by Craig Walton. He set the school strike out record at 13.

On the defensive end of the District Champs were three pitching records. Chip Fisher set all three records: Most Inning Pitched—35, Most Strike outs—50, and Best Earn Run Average—0.80. In setting these records, Chip ended the season with a 4-2 mark. Also taking pitching duties was the leading batter, Ronnie Snider. He finished the season with a 3-0 record.

Coach Jimmie Williford predicts next season will be a rebuilding year for his Mustangs. He thinks that Varsity Coach, Jim Morrison will pick up many of his fine baseball players.

Cheerleaders Attend Summer Camp

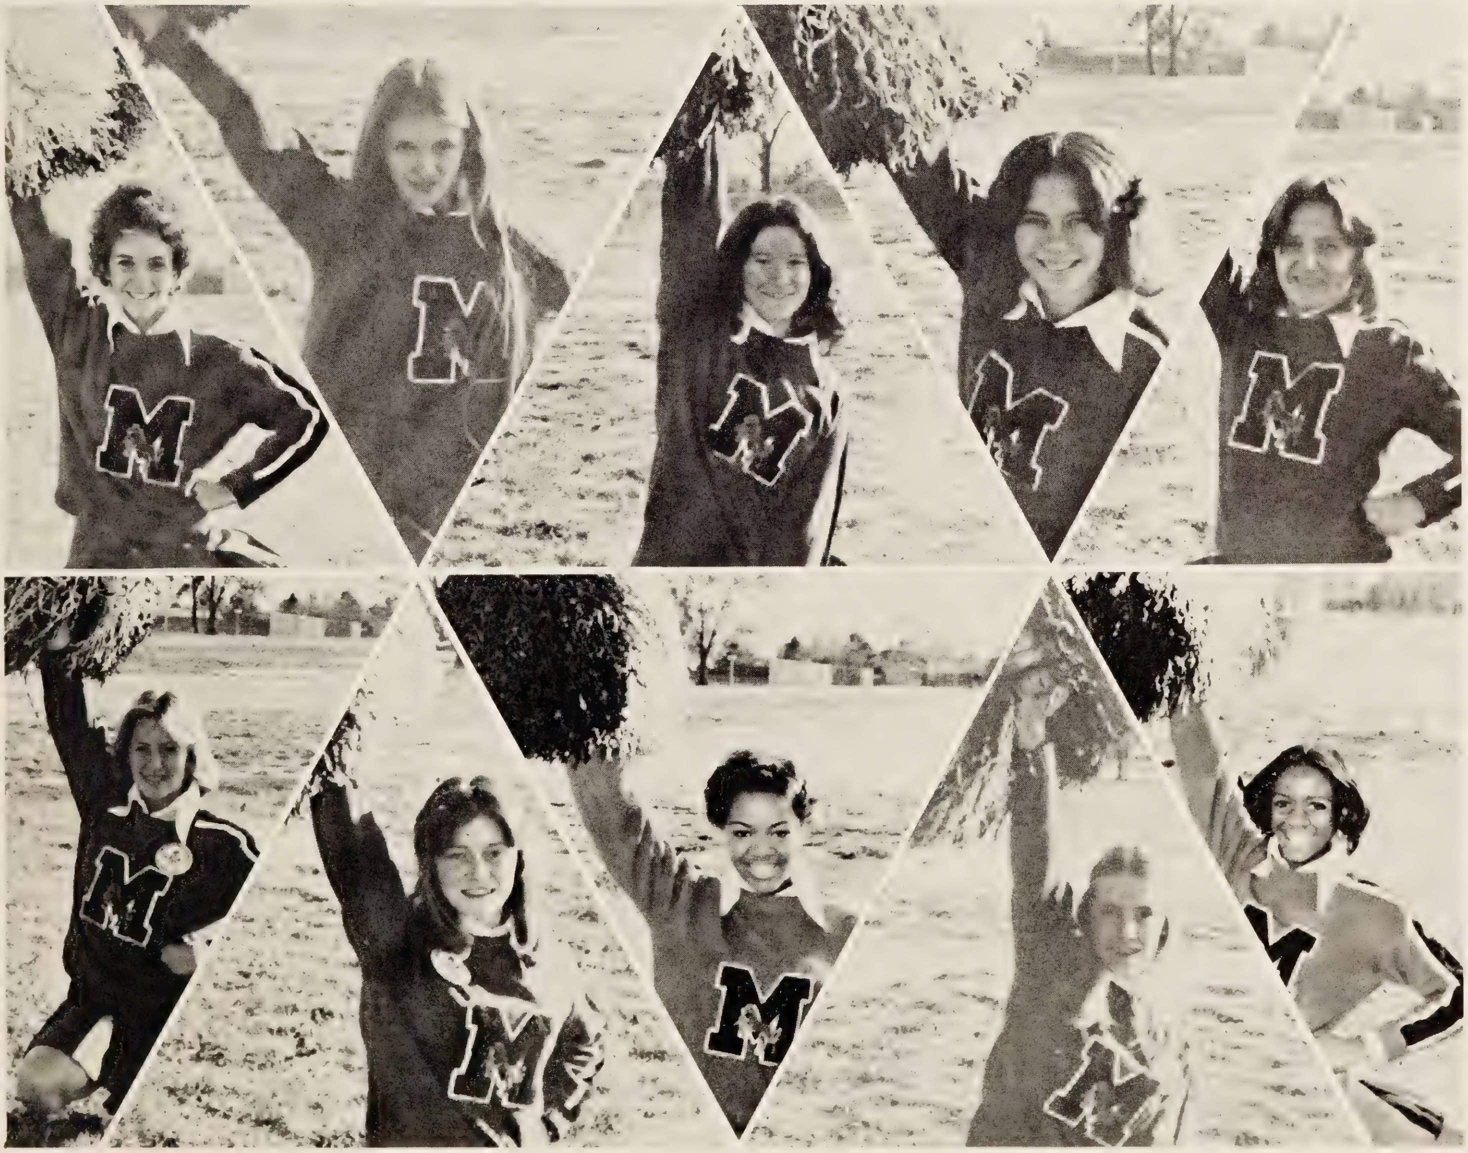
Easy way to travel

During the summer our JV cheerleaders went to camp at Chowan College in North Carolina along with the Varsity squad. They won awards, such as most spirited and superior ribbons for their outstanding cheers.

Being a cheerleader is both fun and time consuming. The girls cheer at both JV and Varsity football games, pep rallies, basketball, and wrestling. The girls give four selected players football favors to help them prepare for their game. In return the players bring the girls a homecoming flower.

Top: Alice Canon, Cindee Poole, Debbie Midgett, Susan Hinton, Tammy Haislip.

Bottom: Patrice Powell, Barbara Needham, Pam Brown, Donna Parker, Angela Hilliard.



Spirited Year Lead

The Varsity Cheerleaders of the "75-76" year at Manor worked especially hard. They brought out a spirit never before seen from the Mustang fans. No one knew of the hard hours of work, practice, sign making, and money earning that was put in to bringing out the spirit and loyalty of the Mustangs. All of the hours paid off. Pep-rallies and games were supported as never before.

The Cheerleaders attended cheering camp in the summer and won the Outstanding Squad Award of the Golden Eagle Cheering camp. This just shows how much of a credit the Mustang Cheerleaders have been to Manor High School.

The Bicentennial Class of Manor

The Senior Class of 1976 was very busy this year. They participated in many activities.

The Senior float won Honorable Mention at homecoming and Renee Vinson and Fred Jones were crowned Mr. and Miss Manor. Mark Hudgins and Sandy Byrd were crowned Mr. Bicentennial and Miss Spirit of '76.

Seniors were busy this year selling tumblers so that they could go on a Senior Class trip to Florida. During the Easter holidays they went to Disney World and had a blast.

Some Seniors won awards this year. Steve Goode became the State Champion Wrestler in the 155 lb. weight class. Lynn Waters won the Miss Spring Blossom Contest in April.

But the year had to come to an end. On June 10, 1976 the Class of '76 graduated from Manor. They were proud to be the first class to complete four years at Manor. The Graduating Class had the Spirit of '76, and they had truly "Come A Long Way."

Class Officers: S. Byrd—President, B. Renfrow, T. Gatling, Mr. Williams—Sponsor, D. King, R. Stukes, L. Hamilton, D. Poole.

Seniors Invade Washington

Lila Goode "Boogies Down" on the bus.

A. Saunders and A. Thomas play a game of cards.

A smiling group of Seniors at the Smithsonian.

Last March 21st and 22nd, a group of government students went to Washington D.C. With Ms. Lyons and Mrs. Evans, the group pulled out early on Sunday morning. They toured the Smithsonian for the most part of the day. That night they visited the Kennedy Center and saw a Bill Withers Concert. Early Monday morning the group headed out for a tour of Washington. They visited the Supreme Court Building, the Capital, the gallery of the Senate and toured the Senate office building. They met Congressman Bob Daniels on the steps of the Capital building and had a short talk with him. Later on, they visited the Washington Zoo and then started home. After a stop at Jarrell's Truck Stop for dinner and a few games of pinball, they sang and told jokes on the bus till they pulled into the parking lot at Manor.

Seniors get a lift.

Being a Junior is the step further up the ladder of achieving the goal of maturity. As we advance, we have to learn and take on more responsibilities. There are good times and bad times and as a student, I feel you have to strive and handle both with a balanced point of view. At times students take an education lightly, but they should look at the world around them. Education is a gift that shouldn't be taken for granted for there are some that don't have the privilege to learn. Keep in mind that something could happen in our country that would upset our learning process.

As a Junior, I feel as though I am knocking on the door of seniorship. I can't wait to see the day when I can be recognized as one who was given a chance to learn, grabbed it, used it to the fullest and received my diploma as proof.

And as I move on to higher ground, I want to be able to have a record with no question marks and one I can proudly show to any and everyone.

I am a teen-ager, and because so many adults keep asking us "ungrateful" teen-agers what we want, I finally found an answer that I think says everything."

I am a teen-ager and this is
what I want:
I want time to be alone—alone
with my thoughts.
I want to be accepted for
what I am.
I want to be loved by those
who brought me into this world.
I want a home that is rich in
honesty, sharing and caring.
I want to be heard: I just
might have something to say that
you need to hear.
I want to know more about my-
self, my sexuality, my desires,
my goals.
I want to know God and worhsip
him in my own way.
I want to live my life one day
at a time, for only then will I
know its fullness.
And as I would live my life
for me, so would I have you live
your life for you.

Ahead to "77"

The Jr. class of Manor H.S. received its first recognition in the 4th annual Manor Bowl. There its float depicting the Boston Tea Party won 3rd place.

Later in November, the 2nd annual Powder Puff Football game was played. The ladies were unable to overcome the experienced Sr. team and lost 8 to 0.

To raise additional funds for the Prom, the Jr. class sold stickers for the "Mighty Manor Mustangs." For February the Jr. class sponsored a raffle of a 5 lb. box of Valentine candy. Karen Goodrich was the lucky person who received the box of candy. Also, the advent of Easter brought out the sales of Easter eggs, with the prospect of no class dues if they sold enough eggs. The class sold about 650 eggs.

The Prom was held May 8 on the square. The theme was "Stairway to Heaven." With The Weekend Affair providing the music to many starry-eyed juniors and seniors. The evening was heavenly.

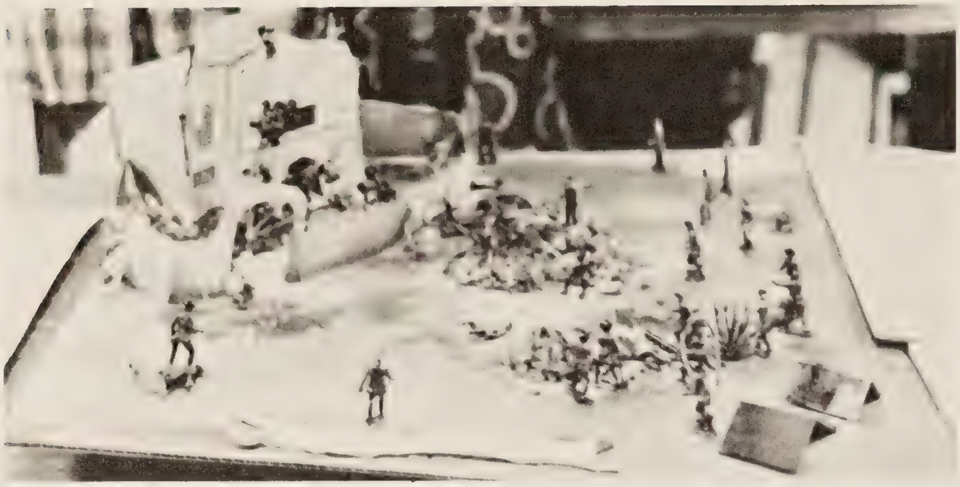
Mardi Gras Highlights



"Remember the Alamo."

Miss Lucas and Miss Flynn look on at Ball.

"Shut the ***** up."

The annual Foreign Language Week Festival (March 2 through March 9) was once again held by the Manor High School students. During this week students from Latin, French, and Spanish participated in various events. These events ranged from a bulletin board contest and a project fair to a declamation contest and the Mardi Gras Ball.

Foreign Language week was highlighted by the crowning of the King and Queen, Miss Pam Brown and Mr. Jon Heely, at the Mardi Gras Ball.

King Jon Heely shows his dance form.

COLONEL WILLIAM CRAWFORD, FOUNDER OF PORTSMOUTH IN 1752, WAS A MEMBER OF THE FIRST VESTRY. BURIED HERE IS COMMODORE JAMES BARRON, COMMANDER OF THE U. S. FRIGATE CHESAPEAKE WHEN ATTACKED BY H. M. S. LEOPARD IN 1807; THE RESULT WAS HIS CELEBRATED DUEL WITH STEPHEN DECATUR IN 1820. THE GRAVES OF MANY REVOLUTIONARY PATRIOTS ARE HERE.

In 1762 Portsmouth, Virginia was founded by William Crawford. Portsmouth was located on sixty-five acres of land. The city extended south from his house 118 feet on Crawford Street and east on High Street to the Elizabeth River. William Crawford was Presiding Justice, Mayor.

Now, 214 years later, 1976, the city of Portsmouth has grown considerably. The city stretches from the waterfront of the Elizabeth River at the end of High Street West to Driver and south to Bowers Hill. The Presiding Justice is Mayor William Davis.

We've Come

1972 - 1976

In the Spring of 1969, the fifth Portsmouth High School was being designed. Manor would serve the areas of Hodges Manor, Simonsdale, Olive Branch, Hattonsville, and Cavalier Manor.

On September 5, 1972 Manor High School opened its doors to this year's senior class. We are the first class to complete four years at Manor High School.

Manor's school colors are red, black, and white and we are called the Mighty Mustangs.
